The Class of 2016 Dedicates this Yearbook to Ms. Lumsden

Ms. Lumsden,

Thank you for everything you have done for us since we first met you as freshmen. Whether we were coming in late, picking up our forgotten books or lunches, or asking for a box of tissues, you made all of us smile each day. Even if we do not always show it, we appreciate all that you do for us and the school, from letting us in when we get locked out to taking care of everyone and everything, no matter what we need. You have made this building into a home by becoming our school mom and spreading your infectious smile wherever you go.

We are so thankful for all the time and effort you put into making this school function as smoothly as it does. We would not have survived these last four years if it weren't for your constant work behind the scenes. If anyone ever needs anything, they know they can always come to you for a helping hand. Thank you so much for making our high school experience as great as it was. We love you and will miss you!

Love,
The Class of 2016

Thank You to Our Advisors

Dear Mr. Durfee,

Thank you for your hard work and commitment to our class during our first two years of high school. The amount of time and resources you devoted to helping the Class of 2016 was truly inspiring and greatly appreciated. Love and miss you, Durf-dog.

-The Class of 2016

Dear Shields & Jill,

We are beyond grateful that we were able to have two amazing advisors step in to take Mr. Durfee's place upon his departure from the school. You have motivated and encouraged us to come together as a class and have helped to make our senior year the best year we could have asked for. You were instrumental in planning some of the most important events that are going to take place in our senior year, and we can't thank you enough. You both know our class so well, and this made the transition from one advisor to the next effortless. Not only are you our advisors, you have also been two very important figures in the Class of 2016's high school career. We see you as more than just faculty members; we all consider you our friends and mentors.

-The Class of 2016

A side note from the class officers:

Thank you so much for your endless patience during our two years together. There aren't many people who would be able to handle seven energetic and easily distracted high school girls and still manage to accomplish so much. We love you both and are going to miss you so much next year. Thanks for helping us make bank.

Love,

Lydia, Susie, Olivia, Maddy, Sarah,
Cassandra & Julia

EDITOR'S LETTER

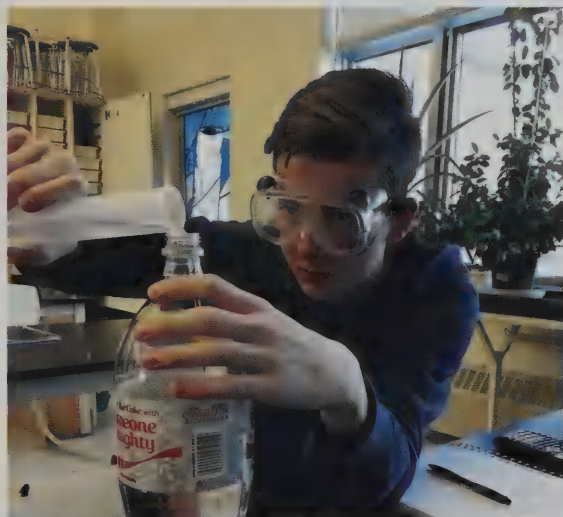

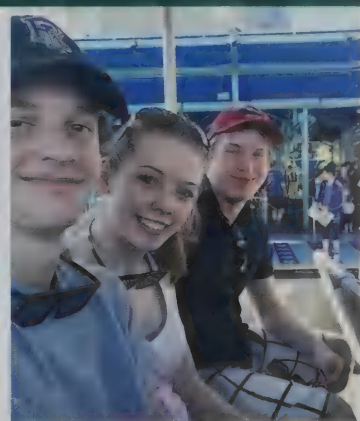

Dear Class of 2016,

Here we are, after four long years. We have finally made it to graduation! The three of us would like to congratulate all of you on your success throughout high school. Though it was a struggle at times, and we had our ups and downs, we all made it to the other side relatively unscathed. We, with the help of our fantastic team, put together this book in the hope that it reminds everyone of all of the wonderful times we have shared together as a class. We are just as excited as all of you to get out of this building and become our own individuals, but we have had a phenomenal high school experience and want to remember it forever.

There isn't much time left before all of us are at graduation receiving our diplomas, but we, the editors, want to wish you all luck with whatever the future may bring. This yearbook, full of our memories over the last four years, will serve as a way to look back and cherish our high school experiences. We hope everyone will never forget the good times we've had as a class at Manchester-Essex. So, congratulations, Class of 2016! All of our hard work has finally paid off!

Love,

Phoebe, Maddy, and Hannah

**CLASS OF
2016**

Dear Class of 2016,

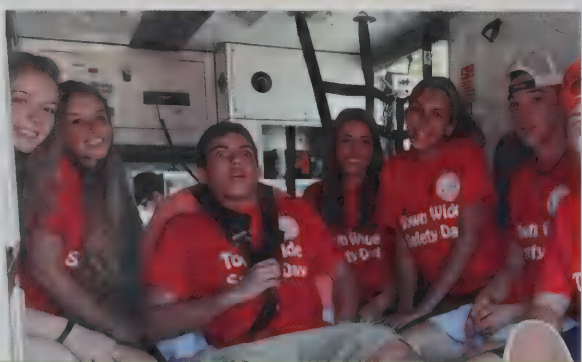

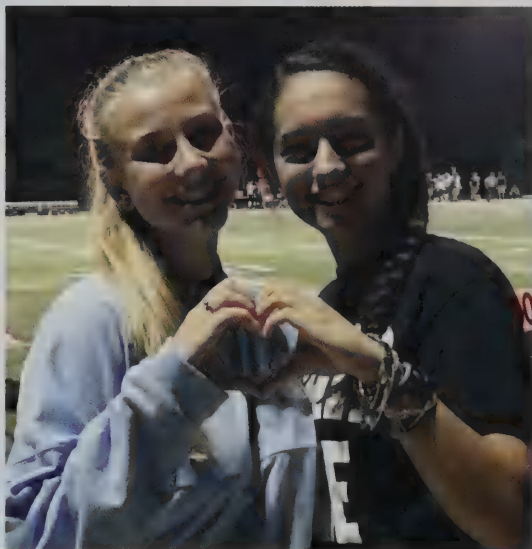

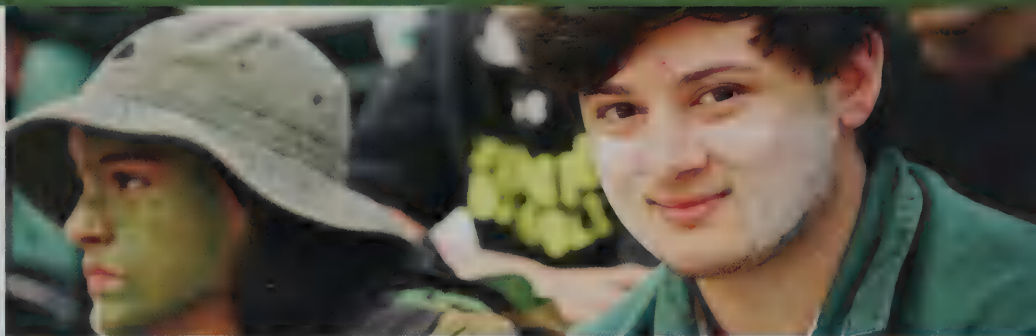

Congratulations on the completion of a remarkable high school career. The Class of 2016 has made their presence known at MERHS.

This book is evidence of the great traditions, values and people that make up the Manchester Essex High School community. It reflects your many strengths in athletics, music, drama, debate, DECA, and art. It reflects your commitment to sustainability. It is evidence of the variety of interests that you have pursued. It reflects your compassion, empathy and friendship.

This is not the end for you, but the beginning of great opportunities. As you move forward, you will encounter a world that is rapidly changing – a world that is more technologically advanced, interconnected and globally focused. It is an exciting time. Continue to learn and grow, embrace change and help to make the world a better place. This is your time.

Thank you for helping to make our school a better place. I congratulate you on completing your education at MERHS and wish you much health and happiness in the future.

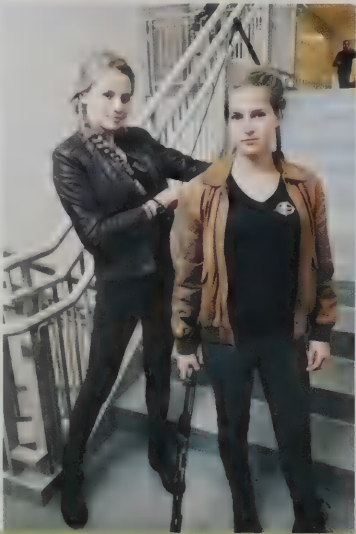

Respectfully,
Patricia Puglisi

Gloucester Daily Times Hat Trick for Lange

The Vikings got the win column on tonight
with a dramatic win in the final home game of the
Commonwealth Athletic Conference season. Brockport
and Minuteman appeared to be headed for a draw but
Anthony Lange scored the winning goal with
nice seconds to play. The third goal
for the game sending the Vikings to a 3-2 win.
